May 2019

Dear HCPS Parent:

In May, your child will begin taking Standards of Learning (SOL) tests. Students who pass the course but scored between 375 and 399 (400 is passing) on the SOL are eligible to retake the test after participating in special remediation sessions at his or her school. The remediation will be provided by HCPS at no cost to families or students.

It is important to note that participation in this program is completely voluntary. Your choice will have no effect on your student's course grade or their movement to the next grade level. If you have any questions or concerns about the program, please feel free to contact your child's principal or test coordinator.

If you wish to have your child participate should he/she meet the eligibility criteria, we require your consent. Please sign below and return this letter by May 24, 2019. You may disregard this letter if you do not want your child to participate.

If your child qualifies for this opportunity and you have provided your permission, we will follow up with information regarding the tutoring sessions, as well as the new testing window.

We thank you for your support of Henrico County Public Schools.

Sincerely,

Cheri Guempel
Principal
Quioccasin Middle School

_____ I give permission for my child to participate in the Tutoring and Expedited Retake program for any test he/she may qualify to retake.
