

Dear Community Partner,

Quioccasin Middle School invites you to join us to share your career with our students for our school-wide Career Day, which will be held on Friday, April 19, 2019, from 8:15-11:00 AM. The schedule for the day will be:

- 8:15-8:45 AM: Check-in, Greetings and Coffee
- 9:00-9:20 AM - Rotation #1
- 9:25-9:45 AM - Rotation #2
- 9:50-10:10 AM - Rotation #3
- 10:15-10:35 AM - Rotation #4
- 10:40-11:00 - Rotation #5

As a presenter, you will be stationed in the same classroom through the duration of our Career Day event and students will rotate to you with their class every twenty minutes. There will be approximately 25-30 students per rotation and they will travel with a QMS staff member.

We would ask that you prepare for a fifteen-minute presentation which leaves about five minutes for questions. The time will go quickly, but we would love for you to give a general explanation of your career, a typical day (if there is one), and some educational requirements for obtaining a job in your field. Additionally, if you would share how strong fundamentals in Math, English, Science, and/or Social Studies play a role in your career that would be great - we are always looking for examples to share with students the link between middle school classes and future careers!

Visuals such as props and videos always keep students' attention! If you have technology needs for your presentation, please let us know.

If you are able to join us on April 16th, please complete the bit.ly link below, so that your contact information can be captured for our planning purposes. You will receive a confirmation email with information.
