

**Functional Classrooms: 6th – 8th Grade
Supply List for 2018-2019
(To be used in place of grade level supply list)**

1 folder with pockets

1 composition notebook

20-30 pencils

1 package of 3X5 index cards (white or colored)

1 package of washable markers (any size is fine)

1 package of colored pencils (any size is fine)

4-8 dry erase markers (if they come with an eraser that is great too 😊)

1 ruler with centimeters and inches

1 box zipper storage bags (either sandwich, quart or gallon)

1 plastic folder (or 2 paper folders) with 2 pockets

1 large bottle of hand sanitizer

2 boxes of facial tissues

6 glue sticks

1 pair computer headphones (any kind, as long as they are comfortable for your student – some students do not like earbuds. Over the ear headphones can be purchased for around \$5-\$7 at Wal-Mart or on Amazon)—these are important for computer work! **If you are able to donate a pair or two of headphones to the classroom, that would be great! They tend to get lost or broken over time. Thank you!**
