

QMS Club description  
2018-2019

Art	The art club is for the talented young artists that have extra questions and need extra time to work on projects from outside the regular school setting. Mrs. Jones and Ms. Riesenberger answer questions and provide studio space for their work.
Board game	The Board Game Club provides a fun and friendly environment for students to get socialize and play board games. Board games (Life, Scrabble, Apples to Apples, Uno) are provided, but members are welcome to bring board games from home as well.
Brainteaser/Rubik's Cube	"Do you enjoy being challenged? What about solving puzzles? If so, this club may be for you!"
Card Game Club	The Card Games Club provides a fun and friendly environment for students to get socialize and play card games.
Chess	Chess is open to all students from those who know how to play chess to those that would like to learn. One of the oldest and most challenging games on our planet! We have a number of different tournaments that we do within the club throughout the year. Most importantly, we play and challenge each other at every club meeting in order to improve our knowledge, skill and chess strategy. It meets approximately every Month and is run by Mr. Walsh.
Cooking club	Students in the Cooking Club will share old recipes and experiment with new ones. This club is open to all QMS students.
Current events	Want to know what's going on in the world around you? Are you interested in sports, pop culture, politics, the new law, the environment and how they shape your views, likes/dislikes? Then this is the club for you.
Drama	Do you have a passion for getting up on stage and performing in front of an audience? If your answer is yes, then this is the club for you! Drama Club is offered to 7 <sup>th</sup> and 8 <sup>th</sup> -grade students only. We meet in room E-22 to play drama games, act in skits, participate in improvisations, and do lots of other fun theatre activities! Join Drama Club, and it will be the best decision you make. <i>(Please note, you will be participating in many of the same drama activities conducted in Mrs. Doan's Theatre Arts class.)</i>
Ecology	Welcome to the Ecology Club. We do all of the school's paper recycling. Last year alone, we prevented more than a ton of paper from reaching area landfills. This saves the school money, saves water, reduces the amount of waste in the landfill, and leaves you knowing you made a difference. We beautify the Quioccasin campus one small step at a time, and host guest speakers to learn cool stuff. So, if you want to make a positive impact on the environment then join the Ecology Club. We make a difference!
FBLA	The Future Business Leaders of America is a National Club, which discusses the importance of business in America. Do you like money? Do you want to make money when you grow up? Then the FBLA is for you! We discuss businesses and how they become successful. We explore popular topics within business and technology, such as programming. The FBLA provides a platform for students to explore their interests in the business industry. For a great time, join the FBLA! <b>This club is only open to students taking a business class this school year.</b>
"No Place For Hate"	Students, parents, and staff members will work together to plan activities to create a more inclusive environment at QMS. We will design activities that promote respect for differences, combating bias, bullying, and name-calling, as well as celebrating the diversity within our community.
Forensics	Forensics is public speaking! Here is an interesting fact that may surprise you...the #1 FEAR of MOST people...is NOT the fear of spiders or heights....NOPE! It's the FEAR of SPEAKING in Public. You know....sweaty palms, racing thoughts, pounding heart, nervous twitching...THAT feeling you get when you're about to speak in front of class...MANY of us would rather run out of the classroom than get up and talk in front of people. WELL...If you want to learn how to shake those jitters and speak in public without fainting, THEN join us in our forensics club! See Ms. Burton for more information."
Gaming 7 <sup>th</sup> and 8 <sup>th</sup> grade	Like playing games on your laptop? Come join other gaming freaks on club day! The gaming club is for those who are serious about gaming on their laptops. Challenge your creativity and problem-solving skills. Communicate and collaborate with other club members on strategies and tips. If you have the skill, design your own game and have other members play it. This is not a board game club, this is for serious online gamers who want to play in a collaborative environment with other gaming freaks!

International club	The International Club focuses on all things culture, language, international fashion, dance, and music. Students in this club will organize, plan and participate in everything related to International Night
Law Enforcement	The Law Enforcement Club will meet once per month and at most, meetings a member of law enforcement will come in a talk to the students about different jobs in law enforcement. Guest speakers for this year will include a member of the K-9 unit, a forensic investigator, a SWAT team member to start the year off. During the course of the year, students will participate in the use of a RADAR to see how it works. Time permitting students will participate in a practical forensic mockup and make a report to the rest of the club as to their findings at the mock crime scene. Finally, students will interview a current or former member of the military or public safety to understand why that person chooses to serve their country or community and how it made them feel to do so. Students interested in joining the Law Enforcement Club should have an interest in public safety or the law
Reading	Students in the Reading Club will focus on reading skills. Students will read for pleasure at their own pace. Students may discuss their reading as a group.
FCCLA	FCCLA is the only national Career and Technical Student Organization with the family as its central focus. It's mission it to promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner, and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation. <b>This club is only open to students taking a family and consumer sciences or teen living class this school year.</b>
TSA	TSA fosters personal growth, leadership, and opportunities in technology, innervation, design, and engineering. Members apply and integrate science, technology, engineering, and mathematics (STEM) concepts through co-curricular activities, competitions, and related programs.
Special Olympics	Students in the Special Olympics Club will assist with Special Olympics and other types of activities associated with this event.
Spirit club	We have Got Spirit Yes We Do! Join the Spirit Club to help cheer on the sports teams and promote other school-sponsored events. During club time, we make banners and posters to display around the school.
Sports for Teens	The Sports for Teens is a club for our sports lovers here at Quioccasin MS. Students will have the opportunity to participate and compete in various sports throughout the school year.
Homework time/Directed study	Homework & Directed Study Club will allow students to catch up on work or gain extra support getting organized?
